---	---------	---	---------------	---	-----------------------------------	---	--------------

Thank you for your interest in pursuing a career with ASML

We are happy to see that you consider ASML as your future employer.
During this application process we will ask you to provide us more information about yourself and your ambitions by answering a short questionnaire and uploading your resume and motivation letter. After submitting your application you can track the progress of your application in 'My profile' and keep it up to date.
Data Privacy: Your privacy matters to ASML, and we comply with applicable data protection laws. Please read the [recruitment privacy statement](https://www.asml.com/general/recruitment/privacy-statements/en/4235671p-96628) carefully before electronically submitting your application for employment with ASML. You can find the privacy statement here: <https://www.asml.com/general/recruitment/privacy-statements/en/4235671p-96628>
Please select 'I agree' to confirm that you have read and agree with the recruitment privacy statement.

Do you agree?
 I agree

5. Application questionnaire 문항에 대한 응답.

- 모든 Text 는 영어로 작성 해주시기 바랍니다.
